

Appreciation Sunday Guidelines

Date of Appreciation Sunday: 8-18-13, 3-6:30 p.m. MAGC Building

Competition Departments—2013 Participants in Departments

- **10-15 minute skit spoofing your coaches.**
 - Funny, good hearted fun and must be in good taste.
 - Can be a film.
 - In departments that changed directors (Extemp), you might want to do two skits (in which case, more time will be allotted.) Let Greg know.
 - Examples: See these links:

- **Presents for your coaches**—should have some kind of “inside joke” or special meaning. Don’t go overboard and spend too much. The present should be meaningful.
- **NOTE:** In Extemp, staff and the directors changed over, you might want to have a separate skit for Spring and Summer.
- **Please include as many people as possible.** This is supposed to be a collaboration. It should not be like school where one elite clique does everything.

Curriculum Countries—2013 Participants in Countries

- **Short speech, skit or presentation roasting your country staff--especially SMS.** Must be good-hearted and funny but in good taste. Keep it to 10 minutes.
- **Bake/feed your Country Staff: cookies, pies, cakes, pastries, etc.**
- **ONCE AGAIN, I STRESS: This should be a collaboration among all participants.**
- **DO NOT IGNORE THE CURRICULUM STAFF. THEY WORKED HARD FOR YOU.**
- **SUGGESTION: the Countries might want to collaborate on one big joint skit or presentation for all the Curriculum staff instead of attempting smaller ones. This is acceptable. The Mushakas might want to meet and plan this.**

....And don’t forget your Head Coach (Tiffany) and Head Counselors (Asenett [Session 1], Jordan and Lindsey [Session 2]) and the rest of us (Paco, ADB, Monzi, Okatsu, Fig). What to do there is up to you.

PROHIBITED: water guns, silly string, cake/pie throwing are expressly prohibited. If you make any type of mess, you are responsible for cleaning it up.

YOU ARE RESPONSIBLE FOR CLEANING UP YOUR MESS.
